Sponsorship Program

Dear Potential Sponsor,

Thank you for taking the time to review our sponsorship packages. My name is Nick Di Ponio, and along with my father Ben, own and operate the Huron Valley Athletic Complex located at 201 Lone Tree Rd. directly in front of Milford High School.

We are extremely proud to bring brand new state of the art indoor and outdoor sports facilities to the Huron Valley community. We have spent countless hours creating top notch facilities in order to create an environment to foster the growth of sports in our community. Sports and recreation are vital to any healthy community and we are excited about the staff we have assembled, and the programs we are able to offer at HVAC.

This package includes various ways you can become a preferred sponsor and support our programs. Please consider this as a way to market your business and help a community partner along the way. We look forward to seeing you at the "HVAC" soon. Stop by and take a tour with us anytime!

Sincerely,

Nick Di Ponio
